

Hello Tomorrow

Warsaw, 11th April 2016

To whom it may concern,

In my role of Cargo Manager for Emirates SkyCargo in Poland I have had pleasure to cooperate with POLSPED International Forwarding since the beginning of our operation in Poland, that is 6th February 2013.

POLSPED International Forwarding with its friendly staff is amongst the most professional and reliable business partners we cooperate with.

It is my pleasure to recommend their services to anyone who can't compromise on quality of service and customer satisfaction.

Kind regards,

Jarek Jakubczak
